Attached is data for SHP Sheriffs with a commercial drivers licence – either Class 3 or 1.

We had 6 deployed last week and they were not required. Presently most on the list are back at home locations on RDO.

Subject: Urgent support

Rob, Bob, Peter Lemieux on behalf of Marlin Degrand has been tasked in getting some fast time work done and create a list of people we can use to drive trucks, operate equipment, Wreckers, etc. We are aware that many people have refused to cooperate and also others we may not know about. Please be available to support Peter tomorrow in considering options going forward.

Peter will send out an invite for tomorrow

Regards
